INVITATION

European Social Economy Week 2021 Social Economy for a Just, Green & Digital Recovery **ActSE2021** 11.-15.10.2021

Dear Sir/Madame,

it is our pleasure to invite you to European Social Economy Week 2021, organised in framework of the Slovenian Presidency of the Council of the European Union between 11.-15. October 2021 in Ljubljana, Slovenia.

Main event of European Social Economy Week 2021 is a two-day high-level conference: **ActSE2021** on 12. and 13. of October 2021 focused into Digital Social Innovation, organised in hybrid edition at the Conference Hall of Crystal Palace in BTC City, Ljubljana, Slovenia. In the light of launching Social Economy Action Plan in the last quarter of 2021, the main topic of the conference will be on strengthening social innovation ecosystem through digital and advanced technologies.

Our goal is to increase the integration of social innovation within traditional industries and sectors, which are facing the need for transformation in post pandemic period and through innovative approaches and advanced technologies achieve the solutions for the "Future of work".

European Social Economy Week will offer a series of diverse conferences, panels and workshops in the field of social economy with a focus on scaling up, digitalization and the sustainability of social economy and social innovation. The program activities shall be led by experts and distinguished speakers from different leading institutions across Europe. Our prospective audience includes local and international decision-makers, leading innovators and representatives of small, medium and large enterprises.
